

**It is with great pleasure that I announce the appointment of Sabena Singh as the new Program Coordinator of LiteracyWORKS.**

Sabena comes to us with considerable knowledge of various theories, methodologies and approaches to adult education as well as a strong understanding of adult development and learning. Sabena's experience includes more than 12 years teaching Adults from a wide range of linguistic and literacy backgrounds. She is currently writing her thesis which will mark the completion of her Masters of Education degree focused primarily on adult education and literacy. Sabena has worked for the University of Winnipeg as Program Coordinator in Continuing Education where she trained and provided oversight to more than 10 instructors and 50 students. She has also worked as an EAL instructor with the Winnipeg EAL Centre as well as the U of W.

Sabena has a warm and friendly disposition that I'm sure will enhance the welcoming and accepting environment of our program. She is eager to meet all our volunteers and students and build meaningful relationships that will help connect with the needs of our students as well as resourcing our tutors. I'm confident that she will become an integral piece of the LiteracyWORKS puzzle as we strive to become more effective as literacy practitioners.

Sabena has two daughters aged 19 and 13 and originally hails from the tropics of Guiana. Having moved to Winnipeg as a young girl gives her a great perspective of our increasingly ethnically diverse community. I'm sure you will come to appreciate her skills and her passion for literacy very quickly.

**Please join us on Tuesday March 2<sup>nd</sup>,  
from 1:00 pm to 3:00 pm for an  
OPEN HOUSE  
and help us welcome Sabena  
to LiteracyWORKS.**
